

Led Linear Light Led linear Light series Code: LEG-LL20 Series

Technical Data:

- The lamp body adopts high thermal conductivity aluminum alloy, which perfectly solves the heat dissipation problem.
- Installation method: cable installation.
- Soft light, low glare coefficient.
- The product glows on both sides.
- Application: shopping mall, supermarkets, factories, warehouses and other lighting places.

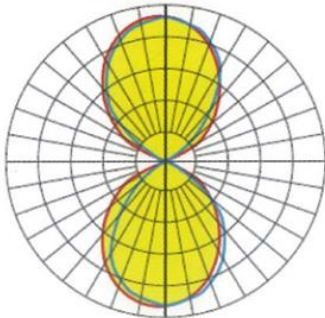

Dimensions:

Technical parameter

MODEL	LEG-LL20/15W	LEG-LL20/24W	LEG-LL20/32W	LEG-LL20/40W	LEG-LL20/50W	LEG-LL20/60W
Power	15W	24W	32W	40W	50W	60W
Luminous Flux	2511.6 lm	3733.8 lm	5263.5 lm	6215.6 lm	6658.4 lm	7813.2 lm
CCT and Ra	CCT:3000K-6500K / Optional		Ra:70 / 80 / 90 / Optional			
LED	Nichia / Cree / Luminleds / Optional					
Input Voltage	AC100-240 50-60Hz / AC200-240V 50Hz / Optional					
IP Rating	IP20					
Working Temperature	-30~+45°C					
Life time	50000Hours					
Warranty	5 Years					
Dimensions(mm)	L603*W58*H48mm			L1162*W58*H48mm		
N.W.(Kg)	0.7±0.1kg			1.2±0.1kg		

Photometric Curve

90 Degree beam angle
