

Led Linear Light

Led linear Light series

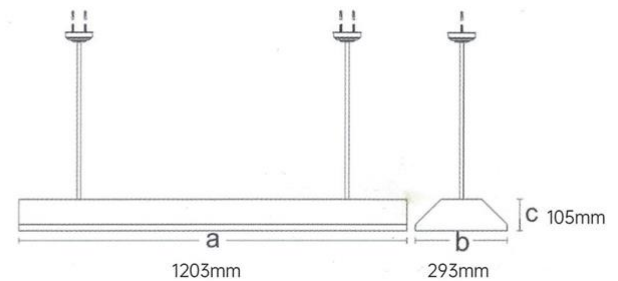

Code: LEG-LL30 Series

Technical Data:

- The lamp body adopts high thermal conductivity aluminum alloy, which perfectly solves the heat dissipation problem.
- Installation method: cable installation.
- Soft light, low glare coefficient.
- Application: shopping mall, supermarkets, factories, art galleries, schools and other lighting places.

Dimensions:

Technical parameter

MODEL	LEG-LL20/32W	LEG-LL20/40W	LEG-LL20/50W
Power	36W	40W	50W
Luminous Flux	4564.7 lm	5066.5 lm	6279.2 lm
CCT and CRI	CCT:3000K-6500K / Optional		Ra:70 / 80 / 90 / Optional
LED	Nichia / Cree / Luminleds / OSRAM / Optional		
Input Voltage	AC100-240 50-60Hz / AC200-240V 50Hz / Optional		
IP Rating	IP42		
Working Temperature	-30~+45°C		
Life time	50000Hours		
Warranty	5 Years		
Dimensions(mm)	L1203*W293*H105mm		
N.W.(Kg)	2.75±0.1kg		

Photometric Curve

120 Degree beam angle
